JRAC Waiver

JRAC requires a liability waiver for any swimmer participating in a league swim meet. You may complete this waiver online using the following link: <https://jracsports.com/forms/2021waiver>. Select CAA, then SWIM before hitting "Next." The remaining, required information is on the second page. A separate waiver is required for EACH individual swimmer, so if you have multiple swimmers in your family, you will need to submit a form for each, rather than one per family. The waiver is **MUST** be completed before the 1st swim meet. If it is not, the swimmer is not allowed to swim in that meet.

PARENT/FAMILY VOLUNTEERING

Volunteers are needed at every swim meet and because we are such a small team, every family is required to volunteer a portion of their time. There are various positions which need to be filled at each meet. Please be aware that if you do NOT select a position to fill, one will be chosen for you. It is the parents' responsibility to find a replacement for their scheduled time slot if they have a conflict. Your commitment to the team helps create a successful swim season.
